Effect of new drug policy and trips agreement on drug prices

2294. SHRI ANANT RAM JAISWAL:
SHRI RAJNI RANJAN SAHU:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to refer to the answer to Unstarred Question 5875 given in the Rajya Sabha on 5th May, 1994 and state:

(a) whether it is a fact that prices of all the drugs introduced after March, 1990 would shoot up following the announcement of new drug policy;

(b) whether the existing drugs produced in the country would be price controlled and new drugs introduced after March, 1990 and following TRIPS agreement would be outside price control, if so, whether the Ministry has studied the effect of such decision on the domestic production and local industry; and

(c) what is the reaction of the Ministry in this regard?

THE MINISTER OF STATE FOR CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) to (c) The various issues related to prices of drugs and how to keep the prices of important drugs at reasonable levels form a part of the Review of the Drug Policy, which is at an advanced stage. After finalising the modifications needed in the existing provisions relating to various aspects of the pharmaceutical industry, an announcement of the modifications in the existing Drug Policy would be made.
